

Fellowship officers listed below can be contacted through their club. Rotarians in good standing have access to an Official Directory of clubs providing fax, email, and postal address for each. To use the Official Directory consult your club secretary. Keep personal contact data off the internet. Sadly, those perpetrating internet fraud and email scams are searching for lists of email addresses, fax, and phone numbers to victimize.

Anil Ghai: making Rotary history while managing the history fellowship's South Asia Branch

After receiving the "Best Youth Leader" award in Glasgow during the 1997 RI Convention's YEO sessions, Anil Ghai has continued to create opportunities for youth, recently winning well deserved praise for initiating an exchange between the Rotaractors of India's D3110 with D3310 encompassing Brunei, Malaysia and Singapore. Anil is also working out arrangements for an exchange of Rotary Youth between India and Pakistan.

(L to R) Jack Mayo with Foundation Trustee Andy Chande, RHHIF's Membership Development Officer in Zone 10.
