

Convention Fellowship

Help plan our fellowship's participation in R.I.'s Salt Lake City Convention. In addition to a social gathering of the Rotary Heritage and History International Fellowship in Salt Lake City, we plan to share a House of Friendship booth with Polio Survivors & Associates, a Rotarian Action Group.

Fellowship Social

Convention week breakfast socials were well attended in both Chicago and Indianapolis, but it is difficult to find a morning free from those popular *regional* ("zone") breakfast gatherings. This year many people will spend Sunday morning listening to the Mormon Tabernacle Choir. What about Saturday morning? Let us know what you would prefer.

House of Friendship Booth

Convention goers meet old friends and make new ones in the House of Friendship. Our information booth is always well attended. This is a great place to share your ideas. You can help plan our exhibits and handouts. Email ideas for our booth to Dave Groner or Jack Mayo. Email addresses appear on your dues statement. We regret they can't be included in this newsletter due to spam spiders.

Volunteers are Needed

The more you put into an organization, the more you get out of it. Heard that one before? People keep saying that because they have found it to be true. You will make new friends and enjoy serving Rotary as an officer, director, branch manager, membership development officer, or by representing an affiliated organization.

Coming to the Salt Lake City Convention? Why not help us plan our fellowship social?

Give us your ideas for exhibits and handouts for the fellowship's information booth in the Salt Lake City House of Friendship.

Your Newsletter Editor would deeply appreciate help. If I compile information and photos and create a master copy, would you print and mail it?

Contact Dave Groner or Jack Mayo.

SHARE ROTARY HERITAGE & HISTORY is published by the Rotary Heritage & History International Fellowship of Rotarians, referred to in this publication as **RHHIF**. This fellowship is neither an agency of, nor controlled by, Rotary International. Correspondence for the fellowship chairman should be sent to: PDG David Groner, 301 Main Street, Dowagiac, MI 49047-1708. Fellowship officers listed below can be contacted through their club. Rotarians have access to an international directory of clubs providing fax, email, and postal address for each. To use the R.I. Directory, consult your club secretary. Sadly we must keep personal contact data off the internet because strangers perpetrating scams abuse lists of email addresses, fax, and phone numbers.
