build club pride & spirit:

Nominate club pioneers for the Rotary Heritage & History Hall of Fame

Even if your club is less than 50 years old, someone might have come from another club bringing their total years of Rotary membership to 50 or more. Recognition of half-century Rotarians provides your club with the opportunity for an informative and entertaining program that builds club pride and might inspire a member of the honoree's family to join Rotary.

While asking family members and longtime Rotary friends for stories and snapshots for your program, be alert for the exciting opportunity to induct a 2nd, 3rd or even 4th generation Rotarian the day you honor a Rotary pioneer.

Use the nomination form shown on this page to place an eligible Rotarian into the Rotary Heritage and History Hall of Fame. The \$50 fee covers framed certificate & shipping costs. A photo album of Hall of Fame members is maintained for display in **Comely Bank**, the suburban Chicago home of Paul & Jean Harris. Order the certificate a month before planned presentation so there is adequate time for it to be printed, framed, and shipped.

SHARE ROTARY HERITAGE & HISTORY is published by the Rotary Heritage & History International Fellowship of Rotarians, referred to in this publication as **RHHIF**. Otto, 3 South Prospect #206, Park Ridge, IL 60068-4177. The fellowship officers listed below can be contacted through their club. Your club secretary has an international directory providing fax, email, and postal address for each club.
