

First There Was One: Rotary One (updated, digitized and re-mastered)

You may have seen it during a Rotary International Convention. Now you can show your own club, district, and zone the 2003-updated re-master of Norm Kloker's acclaimed Rotary history production that premiered as a dazzling multi-projector multi-media show during 1980's 75th Anniversary celebration. Our first hundred years can not be comprehensively documented in 18-minutes; this introduction to our heritage is ideal for new member orientation programs, and as a discussion-starter at PETS. A brief description of a 1906 social as remembered by the widow of a Rotary pioneer is especially effective in transporting the viewer back in time. Order with the coupon below.
