Give us your suggestions on how we might revitalize Comely Bank fundraising so repairs to the home can be completed:

Rotary Heritage & History International Fellowship *membership form*

Count me in! I am ready to become a member of the Rotary Heritage & History International Fellowship and participate in its objective: to advocate and promote the collection and preservation of Rotary information and memorabilia related to the heritage and history of the Rotary movement; and to keep alive the fellowship and mutual friendships created by Paul Harris, Silvester Schiele, Hiram Shorey and Gus Loehr who first met in Room 711 of Chicago’s Unity Building February 23, 1905; and exchange information about Rotary club, district and international heritage and history through the fellowship’s publication ***SHARE ROTARY HERITAGE & HISTORY***.

Speaker didn’t arrive? Use this Rotary history DVD as a Program

Show your club the updated re-master of Norm Kloker’s acclaimed Rotary history production that premiered as a dazzling multi-projector multi-media show during Rotary’s 75th Anniversary celebration. This introduction to our history and heritage is ideal for new member orientation programs, and at PETS as a discussion-starter. A brief description of a 1906 social as remembered by the widow of a Rotary pioneer is especially effective in transporting the viewer back in time. Order with the coupon below.

Here is \$10 for the 20-minute Rotary history DVD!
